## PROFESSIONAL EXPERIENCE

---

### Hng9, Remote, Nigeria

**Product Manager & Product Designer** Oct 2022 – Dec 2022

- One who managed the mobile developers.
- Ensured that the product designers 'designs were implemented correctly.
- Used linear software to arrange the allocation of jobs to the developers.
- Main MVP feature implementation on an application.
- Only 800 out of more than 5,000 finish, and I was part of the Finalist.

### Zuri & Ingressive4Good Internship, Remote, Nigeria

**Frontend Developer & Team Lead for Developers** Sep 2022 – Dec 2022

- Got selected to the next stage by scoring 96 points out of 100 points.

- I oversaw the Frontend and Backend Developers to make sure the designs were implemented correctly.
- Supervision and merging of code from both the Frontend and Backend developers.
- Worked on the landing page, 404 pages, about us page and contact us page.

#### **Zuri & Ingressive4Good Internship, Remote, Nigeria**

##### **UI/UX DESIGNER**

**Apr 2022 – Aug 2022**

- Developed wireframes and high-fidelity end-to-end responsive web and mobile mockups using figma.
- Tested concepts by carrying-out usability testing with users.
- Refined and synthesized research findings to make user-decisions.
- Carried out interview, surveys and research to ensure we get the targeted audience.
- Team finished about the top best.

#### **Ypree Remote, Kenya**

##### **UI/UX DESIGNER**

**Aug – Oct 2022**

- Social networking site called Ypree connects individuals from all around the world, were I oversaw a group of product designer to see the project through to completion.
- System Design.
- Prototyping, Wire framing.
- User experience research
- Supervision

#### **Hackathon, Tech Creek, Port Harcourt**

**April 29 2022**

- Finished part of the top 5
- Joined the goggle developer group in Port Harcourt after the event and was there throughout my service year.
- Won a gift from the competition.

#### **NYSC, Khana LGI, River-State, Nigeria**

##### **Corper Liaison Officer (CLO)**

**Feb 2021 – Oct 2022**

- Notify the LGI on available PPA for each profession.
- Assist the L.G.I in clearance of corps member.
- Run errands for the L.G.I on matter relating to NYSC.
- Coordinates CDS meeting.
- Documentation on new corps members.
